General:

Please note that the antique brass finish may develop a slight patina over time due to the natural properties of the material.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Differences e.g. AS/NZS is available on request.

We recommend using only frosted candle or golf ball style light sources in this chandelier. We can supply suitable dimmable LED light sources.

Modifications available:

- Custom length of suspension rod up to 3m maximum length
- Client's own silk shades
- Custom silk shades – any colour from Pongees 745 Indian Douppion or 431D Crepe Satin range

Call us for more information on modifications.

Packaging Information:

The approximate box weight and dimensions are outlined below:

Number of Boxes	Dimensions (mm)	Weight (Kg)
Small Dapple Ceiling Light
